ARTICLE XI

TEACHER EVALUATION PLAN DISTRICT PHILOSOPHY OF SUPERVISION AND EVALUATION

The Board and the Association agree to form a committee to review and make recommendations on possible modifications to the teacher evaluation plan.

The administrator in his/her evaluation of teachers must evaluate with integrity and sensitivity, avoiding personal biases and using professional goals. Competency of the supervisor/evaluator is the key to the success of the supervision and the evaluation of his/her staff. The competent administrator is able to coach and to counsel, to motivate and to improve instruction. Criticism does little to improve performance and frequently has a negative effect since it is a very strong threat to self-esteem. Even as the teacher has significant effect upon the motivation of students, so has the supervisor in his/her evaluation of the teacher. There is no place in the evaluation of a teacher (or student) for sarcasm, threats, humiliation, or other negative behavior. The primary purpose is to focus on the improvement of instruction and teacher effectiveness.
